PYRAMID ARBORVITÆ

Hedge Lawn

**TREES — EVERGREENS
SHRUBS, VINES, ETC.**

Plan to Plant Now

**We Have the Plants and Equipment to Furnish You with the Best of
QUALITY, SERVICE AND PRICE**

CONIFEROUS EVERGREENS

The greatest advantage of using Evergreens in beautifying the home grounds is that Evergreens retain their foliage the year around. By planting the proper varieties in their proper places wonderful results can be obtained with but little expense. It is necessary, how-

ever, to plant Evergreens where they will get ample sunlight that they may show their true colors. If you are not familiar with the planting of Evergreens and wish to plant at this time it will be a pleasure for us to furnish you with such information as you may wish to help you get the desired results.

Arborvitæ Orientalis

	EACH
2-3 ft. B&B Sheared.....	\$2.00

3-4 ft. B&B	5.00
4-5 ft. B&B	7.50

JAPANESE YEW (TAXUS CUSPIDATA)

IMPORTANT

Prune evergreens when they are growing—better, just as the spring growth comes on and at least before it becomes hard in July. The principal trouble is the dog. Tie up the pup, as canines and conifers don't mix, or else plant something on front row in protection.

Broad Leaf Evergreens

Boxwood, Dwarf English

	EACH	DOZ.	HUND.
15-18 in. B&B.....	\$2.00	\$21.00

Garden Ware

A superior furniture for garden and interior decoration. White flint sand, mixed with cement, moulded into artistic shapes and properly seasoned. The result is a garden furniture of fine appearance, equal in hardness and wearing quality to natural stone. It is both weather-proof and time-proof. It keeps for a lifetime the delicate tracery as well as the sharp detail of its design. It is finished in gray to resemble granite, or in white to resemble marble and the resemblance is strikingly good.

Lawn Seat

Lawn Seat

No. 1—Concrete, 20 in. wide, 5 ft. long \$15.00

No. 2—Concrete, 20 in. wide,
50 in. long..... 12.50
